

Sony Children's Holiday Camp

Health Care Recruitment

An invitation to Registered Nurses, Physiotherapists and Doctors to help at the Sony Foundation Children's Holiday Camp

Are you a nurse with a passion for helping others? If so we need your help!

We are looking for nurses to help at our annual Sony Camp which runs from 17th – 19th September at Stuartholme School, Birdwood Terrace, Toowong.

The Sony Foundation Children's Holiday Camp Program, gives Year 11 and 12 students the opportunity to care for a child with special needs for a three day period, in what is a unique and life-changing experience for all involved.

Nurses

What you would need to do:

1. You need to be registered but not necessarily currently practicing.
2. Most of the 'nursing' is assisting the Companions (senior students) with their child. The Companions are in charge of everything except medications.

Remember, these children are disabled and may have medical needs, but this is a fun Camp away from hospital. So, don't be put off if you haven't been nursing for a while!

Doctors

If you are a doctor, we only need you to be on call, at times you nominate. Experience from other Camps shows it is very rarely there is a necessity to call on a doctor.

If you are available contact the Stuartholme Health Centre Manager Kylee Brain on (07) 3369 5466 or email kbrain@stuartholme.com for enquiries about the Camp.
