- Parent and family engagement
- Community engagement

To be the best she can be

Stuartholme School
• “Great hearts, generous hearts, are required in the family of God’s Heart, because the difficulties in the way of doing good increase day by day.”

• St Madeleine Sophie Barat
Boarding Parent Meeting Agenda

- Formal Dinner – on Monday evening – all AHOB can attend
- Boarder of the week – share on Facebook page each week
- Health Centre
- Food Survey
- Study Samurai introduction Term 2 2019
- Recreation Program for Term 2
- First term impressions – students and staff
Formal Dinner – on Monday evening

- While we have not gone to this level, the girls are very comfortable at these table groups
- Over two Monday nights each Year 12 girl introduced her table to us all
- It was moved to a Monday as each of the Assistant Heads of Boarding were available to attend
- We have highlighted Chinese New Year, International Women’s Day, Easter etc and will continue to utilize this night as an opportunity to highlight key events and to have broad conversations that can be helpful across age groups
- Boarder of the week is recognized at this dinner and photo posted on the Facebook page each week
Health Centre

Need to acknowledge the dedication and professional competence of our Medical staff.

The year started with Influenza A with up to 5 girls isolated for more than 5 days - with 24 hour care.

Later in the term following on from the Year 7 day student who developed Chicken Pox at Year 7 camp, this spread to some 17 day girl cases then the Boarding House came down with it as well.

Kylee and the other nurses keep all members of the Leadership team abreast of any new cases, followed up the Queensland health and we followed Queensland Health recommendations to reduce how many girls stayed in the Boarding House for the last week of term.

Our highest priority was to get girls home.
Food Survey

- Breakfast Club continues on a Friday lunchtime – the last meeting we had about 20 girls present this is very important in discussing any menu changes
- We received some comments from parents concerned that there were a few not satisfied students with the food they were receiving
- The survey was direct but has given us – me and the AHOB information we can direct with the company
- We do have news that Cameron who was given both Head Chef and Manager rolls has decided not to continue, not because of our world but through the company choosing to have this roll combined
- Survey results are provided for you to read
STUDY SAMURAI LIBRARY
Five keys to unlock personal academic best performance

WHAT THE LIBRARY INCLUDES

- 75 short video lessons from two experts on study skills and wellbeing
- ELES Online Study Skills Handbook Website (43 study skills units of work)
- Human Connections Online Wellbeing Resource (17 modules on wellbeing)

WHY THE LIBRARY WORKS

- Integrated: Connecting parents, teachers and students to be on the same page
- Continuous: Ongoing coaching and mentoring throughout secondary school
- Portable: Access where and when it suits you at your own pace

STUDY SKILLS

- Mindset: Develop a growth and success mindset
- Time Mgt: Become organised, efficient and productive
- Wellbeing: Create energy and motivation

STUDY SAMURAI
www.studysamurai.com
Study Samurai

Available to all Boarders

Structured introduction to Year 7 – 10

Year 11 will engage with Study Samurai through their Wise Wellness program

Year 12 will be encouraged to utilise this program at their own pace
